<td>Possible questions:</td>
<td>Could this have happened in ....? Why, what are your reasons? Which events could not have happened? If_________ happened, what might the ending have been? How was this similar to....? What do you see as possible other outcomes? Can you explain what must have happened when....? What were the motives behind...? What was the problem with...? What assumptions have you made and why? What evidence do you have? Justify your answer. Clarify your reasoning How does (character) feel at this point and what does it tell you about him/her? Do you remember what ... did the first time? In the light of what you know now, why do you think he felt so (angry/happy etc)? At the end of the story the main character is feeling sad/happy/excited etc. Does this surprise you? Explain as fully as you can using parts of the story to help you.</td>
